Police solve Antioch house burglaries

**Arrest 6 juveniles,
ages 12 to 16**

The burglaries of the past four months that have plagued Antioch citizens and police have been solved by the arrest of six juveniles, ages 12 to 16. Arrest and processing have cleared 12 house burglaries in Sequoit Terrace and surrounding areas, three commercial building burglaries and nine thefts from vehicles of such items as citizen's band radios, tapes and tools.

"THE ENTIRE POLICE department has spent countless hours on the cases," says Chief John Wells, "and much money has been spent by the village for overtime and investigation purposes."

The key to the apprehension came when a citizen brought information to Wells. He suspected that a radio item purchased by his son had been stolen.

A three-day investigation last week, led by Assistant Chief Charles Miller and Sgt. Thomas Fisher, led to the arrests. Interrogation and recovery followed.

TOTAL VALUE of the stolen goods is estimated between \$2,000 and \$3,000.

Most of the items have been recovered and after court appearances they will be returned to the owners. However, more than half the merchandise was badly damaged or discarded as useless by the youths. Several items absolutely identifiable by engraving were destroyed.

Three burglaries from private garages were solved before owners knew their property had been broken into.

Because of their ages, all six were turned over to juvenile officer Fisher, who is processing them through juvenile court. He also met with all their parents.

Hits fence at school

Edward Jozefowicz of rural Antioch was driving westbound on Rt. 173 early Saturday afternoon when he heard something snap in front of his car. His steering locked and he careened onto the Antioch Upper Grade School ball field. A witness reports he left the road and drove 480 feet, through two portions of a backstop fence. He finally stop-

ped on the west side of the diamonds. Police could find no visible marks of braking or loss of control due to speed.

The incident happened shortly before 1 p.m. One ball team had just left the area and another was about to arrive.

An investigation by Antioch police is pending with the Secretary of State.

Collision on Trevor Rd.

A Wisconsin teen-ager was hospitalized Tuesday, May 3, after two cars crashed on Trevor Rd., north of North Ave. near Antioch.

Russell Badger, 17, of Trevor, was taken to St. Therese Hospital, Waukegan, where he was reported in satisfactory condition.

The other driver,

Stanley Michals, 55, of Burlington, Wis., said he was going north on Trevor Rd. approaching a curve when he saw Badger's car.

Michals told police he swerved his auto to the right, but he was struck by Badger's auto, which then plunged off the road and into a telephone pole.

NEWLY-INSTALLED trustees for the village of Antioch are (from left): Edgar Simonsen, Ronald Cunningham, Vern Barnstable and

Donald Amundsen. They were sworn in at the May 2 village board meeting.

ANTIOCH MERCHANTS (from left) Dennis Johnson of Ashland Jewelers, Jack Siegmeier of Four Squires and Bill Patterson of BJ's Fashions for Men were busy sweeping and picking up papers in the downtown area this week, in conjunction with the village of Antioch Clean-Up Week, May 9-13. The public works department is extending the clean-up to the downtown area for the benefit of merchants and tenants. Debris should be placed in boxes or containers, if possible, to facilitate pick-up next Monday, May 16.

Trustees discuss new developments

Three possible housing developments were the main items Monday at Antioch village board committee meetings. All are in the planning stages.

TWENTY ACRES south of the state line and west of Nelson Rd. were introduced by James Semmerling. The area is known as the Benedictine Property.

A second parcel is 137 acres, also in the northeast corner of the village, located south of Nelson Rd.

Developer Oscar Brotman is interested in building 106 townhouses on Rt. 173, one mile east of Rt. 83. He wants to bring the current site of Argyle Kennels contiguous to the village. Plans call for 60 single-family and some commercial use; however, trustees are not interested in selling water and sewer services outside the village.

SPECIAL COMMITTEES were selected for sediment-erosion control and employee policy changes.

They will be appointed at the next regular board meeting, scheduled for 8 p.m. Monday.

Grade school district schedules referendum

On Saturday, May 21, an election will be held in Antioch school district 34 for a proposed building referendum.

Absentee applications and ballots are available at the Upper Grade School, Business Office, 800 Highview Drive, between 8:30 a.m. and 4:30 p.m. Monday through Friday.

Requests for an absentee ballot application to be mailed must be submitted no later than Monday, May 16. Ballots will be accepted until 4:30 p.m. Friday, May 20.

Engaged

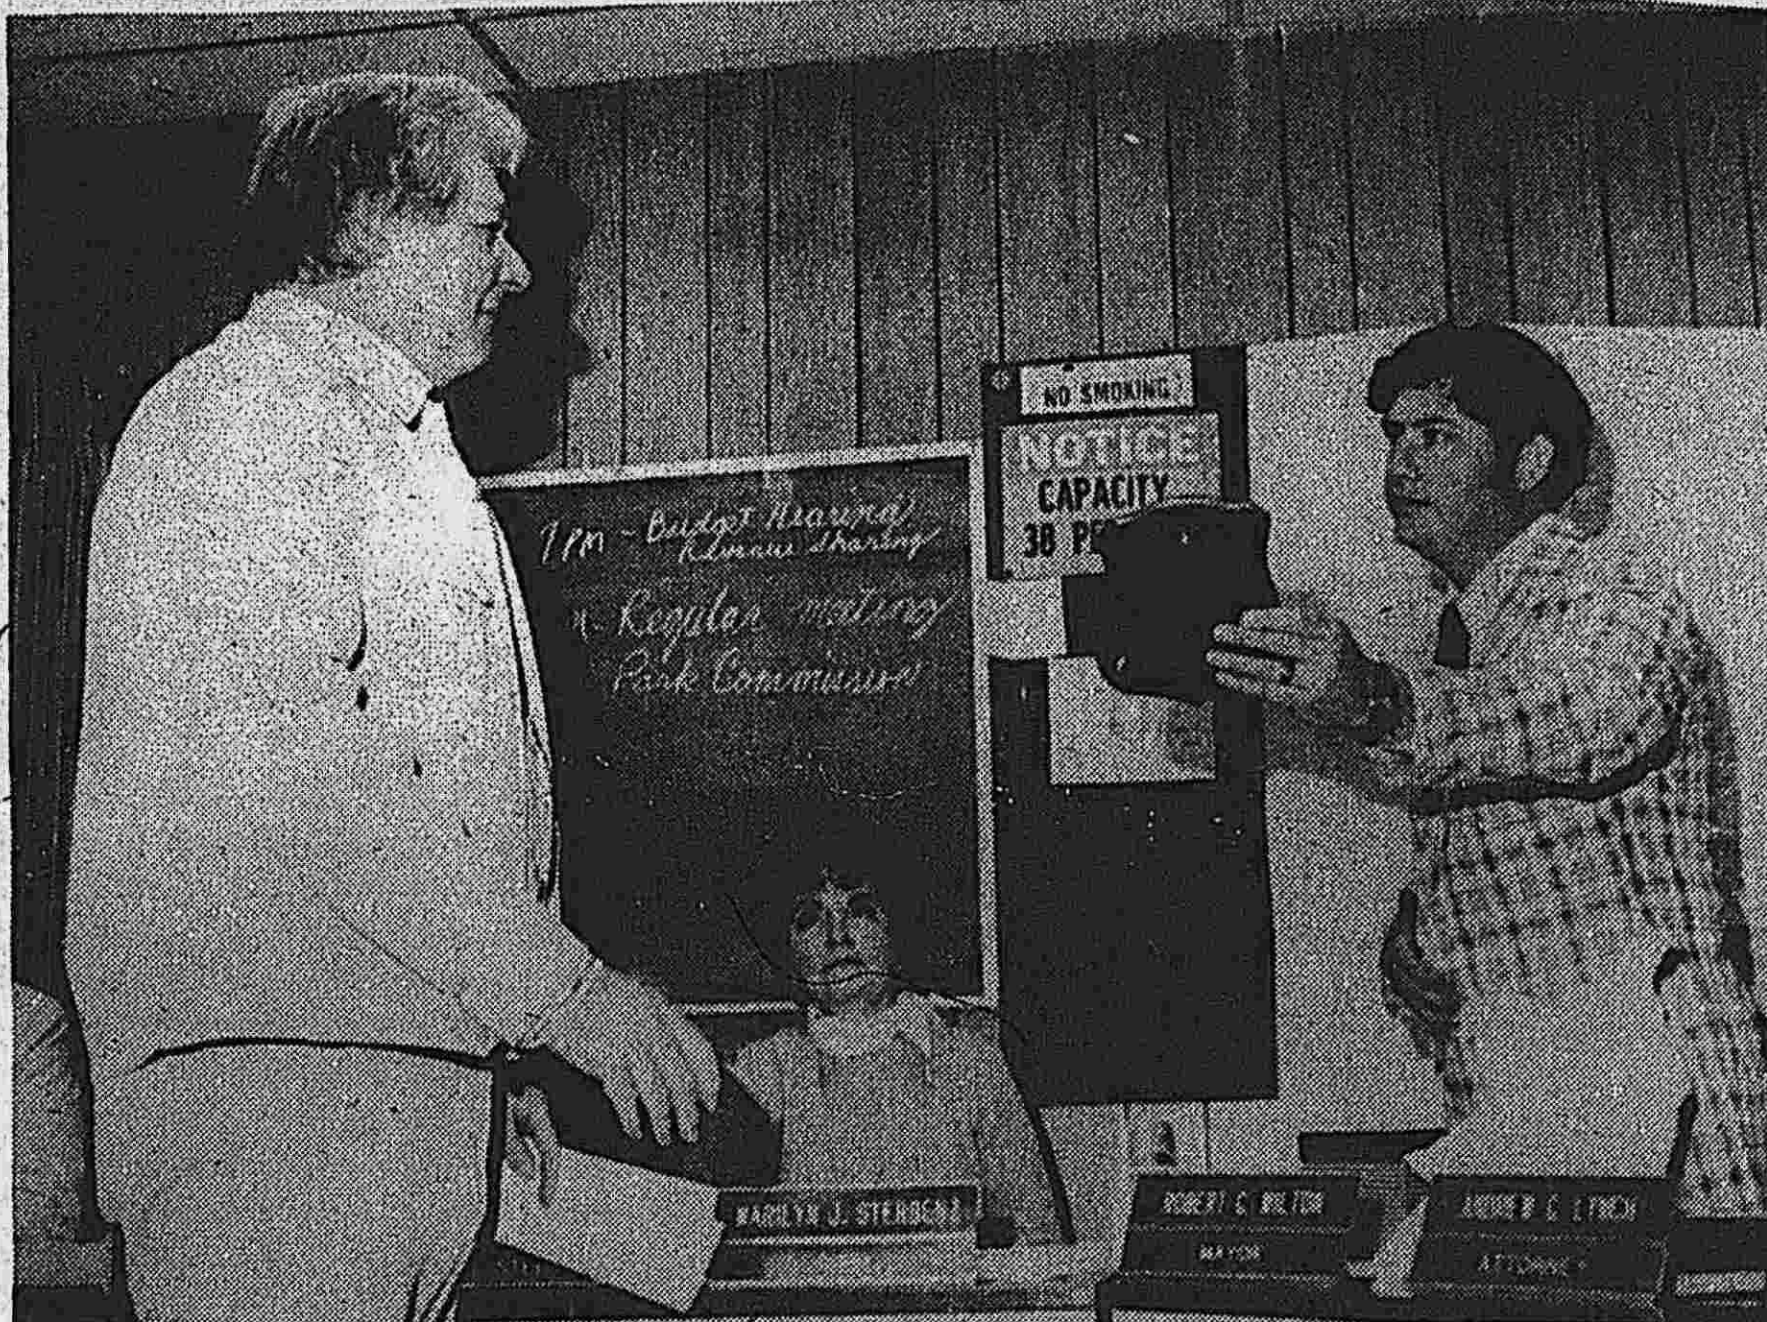

The engagement of Vicki Ann Long to Philip Boileau, son of Mr. and Mrs. Victor Boileau of Ottawa, Ontario, Canada, has been announced by her parents, Mr. and Mrs. Jimmie R. Long of Antioch.

Faith Evangelical Lutheran Church in Antioch will be the setting for the couple's Saturday, June 11, wedding.

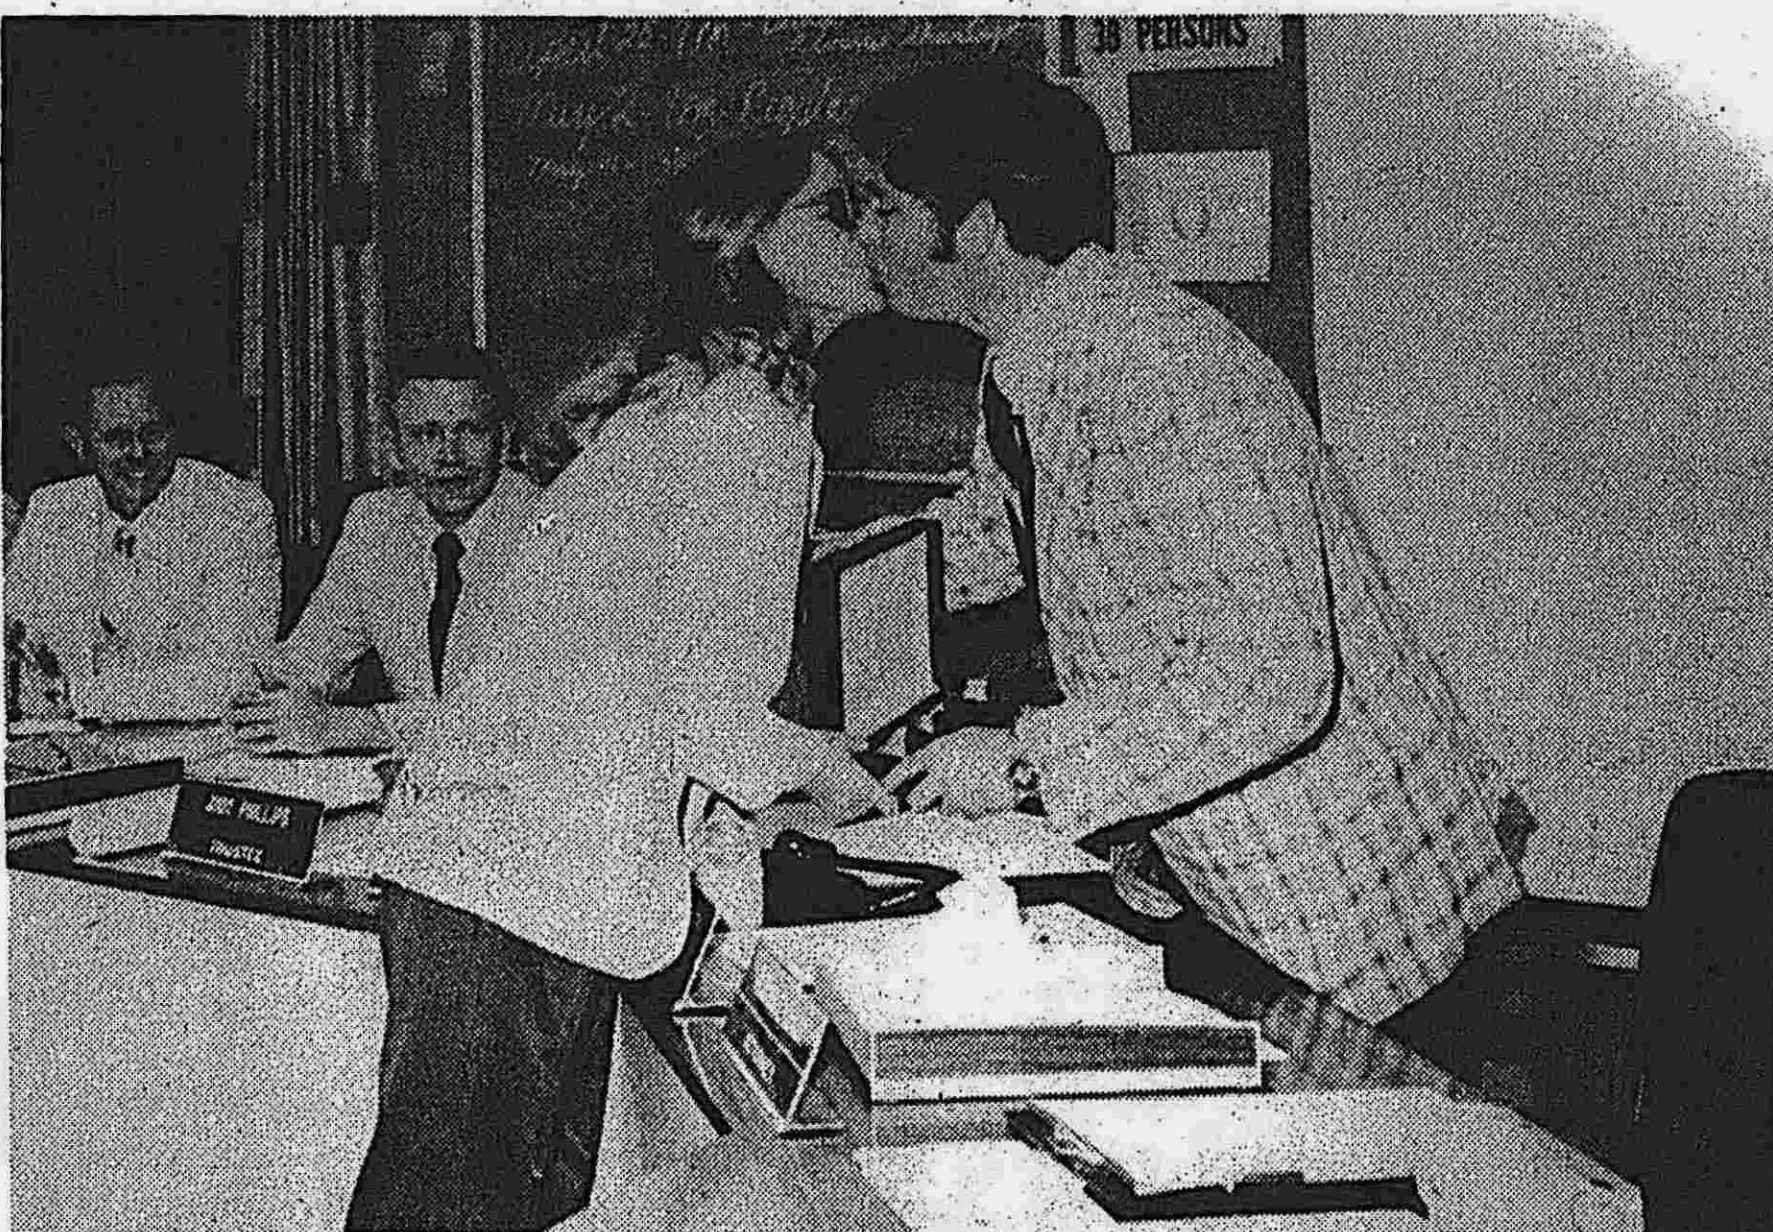

Miss Long and her fiancé will be graduated June 3 from Dr. Martin Luther College in New Ulm, Minn. The bride-to-be is a 1973 graduate of Michigan Lutheran Seminary in Saginaw, Mich.

After their wedding, the newlyweds will teach in the Wisconsin Synod Lutheran Schools.

"If you think old soldiers fade away, try getting into your old army uniform."

EXPRESSING APPRECIATION for Bill Seemann's service as Antioch village trustee was Mayor Mike Haley. Bill (left) received an engraved plaque; Judy Phillips was given an engraved silver bowl. Looking on is clerk Marilyn Sterbenz.

ACCEPTING A KISS and a gavel from his wife, Sue, is Antioch's new mayor, Mike Haley. The event was the May 2 village board meeting, the first of the new officials' terms.

and BART ENGELS

Engaged

Mr. and Mrs. Ronald Vos of Antioch have announced the engagement of their daughter, Patrice Ann, to Bart Engels, son of Mr. and Mrs. Robert Engels of Cary, Ill.

A July 9 wedding is planned at St. Peter's Catholic Church, officiated by Father Robert Melcher. The couple plans to reside in the Crystal Lake area.

Patrice is presently employed at Mid-West Transformer Co. in Grayslake, and Bart is pursuing a career as a studio musician.

Chamber schedules annual Art Fair

On Sunday, July 10, the Antioch Chamber of Commerce and Industry will hold its 5th annual Arts, Crafts and Antiques Fair.

Besides the Fair, there will be an All-American Festival. Social and Service organizations throughout the community will sponsor activities from 7 a.m. to 8:30 p.m.

To coordinate the events, the help of Chamber members is needed.

A tentative schedule follows:

7 to 11 a.m. Pancake Breakfast.

11 a.m. to 6 p.m., Arts, Crafts and Antiques Fair, plus entertainment.

11 a.m. to 9 p.m., beer and food sales.

6 to 8:30 p.m., fire department water fights.

"Once again we need as many donations as possible for the prize money and expenses," said Dennis Johnson of Ashland Jewelers, chairman of the Art Fair Committee. "In addition, purchase certificates will also be available. For previous fairs, we have had over \$1,000 in purchase certificates pledged by Antioch businesses and individuals. A certificate enables the purchaser to buy an artist's work of his own selection for his church, office, school or home."

Arrested for 5 lb. marijuana

A Waterford, Wis. man was arrested in Antioch Friday night for possession of marijuana.

Carl Fireman, 21, was stopped by police on Main St. for a noisy muffler. Assistant Chief Miller and Sgt. Thomas Fisher observed some-

thing dropped from the passenger side as the two passengers exited.

The glassine bag of green leafy substance was field-tested and found to be marijuana. Officers searched the vehicle and found five one-pound glassine bags of the drug in the trunk, the equivalent of a shopping bag full.

Fireman was arrested on possession charges and for his car's faulty exhaust system.

Chief John Wells and Officer Harold Mason, off duty, assisted in the arrest.

The challenge has been issued! It comes from Deadeye Dave Bushing and his Foremost Liquors trapshooting team:

"We challenge any team of five regular trapshooters at the Northern Illinois Conservation Club," said Dave on Monday as we sipped tea together.

"Would you care to join me in a cup of tea?" I asked.

"Okay with me, partner," answered Dave, "providing you get in first."

All excellent jokes aside, Dave added:

"Our trapshooting challenge will be a 16-yard, 100-bird shoot for dinner and drinks at Steve's Channel Lake Lounge."

Could there possibly be a fivesome so fearless as to accept the challenge?

IF YOU WANT to see the most beautiful cast in town, just stop at Reeves Drugs and look at the surgical dressing being worn on the arm of Sandy Stadick. Her multitude of friends have autographed the cast in a variety of colors ... really one of the beautiful artworks in Antioch at the moment. To have so many colorful friends with so many colorful pens must relieve the pain a little, too.

THE DISCOVERY OF an unusual tulip, one with three blossoms on one stem, made Mother's Day weekend more delightful for 3-year-old Ginger Skvarce.

This is the first year for the flowers which were grown by her parents, Mr. and Mrs. Fred Skvarce of Antioch.

Like most Americans, we hate to see the Mary Tyler Moore show go off television. But we're delighted that Mary's MTM Enterprises will produce the Ed Asner and Betty White shows as part of the CBS fall TV lineup.

The one-hour "Ed Asner Show" on Tuesdays will have Asner in the role of city editor of a Los Angeles newspaper.

As newspaper people, we can't wait to see that one. In this business there is no job that requires so much "tiger," and yet is so frustrating, comical and heartwarming as that of a city editor. Ed Asner (Lou Grant) is the man who can portray that job accurately.

ONE OF THE more puzzling words is "economy," because if you are buying soap it means large and if you are buying a car it means small.

EVERYBODY LOVES MOM

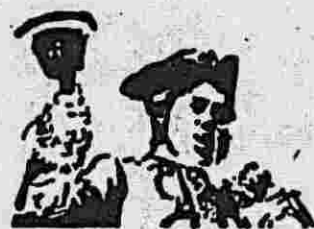

Mother's Day was the highlight of the weekend, of course. But, because of work or distance, some of us unfortunately couldn't be with Mom on her special day.

Take, for example, Maggie Lenny's daughter, Andi, and her husband, Rick. They live in Massachusetts while Maggie and her husband, Harry, run Thompson's Restaurant in Antioch.

But Andi and Rick made up for their absence with a Mother's Day card with such beautiful wording that we must share it with you:

"Most of all the other beautiful things in life come by twos and threes, by dozens and hundreds. Plenty of roses, stars, sunsets, rainbows, brothers and sisters, aunts and cousins, but only one mother in the whole world."

As all of my friends know, I never in my life have told a lie.

Never even chopped down a cherry tree.

As my pastor said the other day: "Jerry, the 'P' in your last name must stand for purity."

I just hate to do this ... to make a complete about-face, but I am now ready to lie.

A reliable poll showed that more than half of the people in the United States felt that former President Nixon lied several times during his national television show last week.

A boy asked his father: "Daddy, why did Mr. Nixon lie again?"

"For a million dollars," the father replied.

Why doesn't David Frost call me? I could lie a lot better than Nixon. I'm the ideal person. I could start with my golf game and lie about that, and then ...

But wait! No. I couldn't do it. The 'P' in my name stands for purity. And pennies.

Clean Streams Week

Educational tours, a workshop on soil erosion and a shoreline cleanup of the Des Plaines River from Libertyville southward to the Cook County Line are among the events scheduled in Lake County as part of the statewide observance of "Clean Streams Week."

Clean Streams Week, sponsored in the county by the Lake County Local Steering Committee for Areawide Clean Water Planning, will begin this Saturday, May 14 and continue through May 22.

The purpose of the nine-day observance, which has been proclaimed by Gov. James Thompson and by a number of county and local governments, is to focus public attention on water quality problems and current efforts to correct them through comprehensive planning.

Stores, homes, garages, barns, trees and all manner of small buildings were swept into the vortex of the tornado which, rising out of the southwest, swept down upon the Loon Lake region at about four o'clock Monday afternoon and, in the few moments before its fury was spent, caused damage in excess of \$200,000. At least one is dead and two injured as a result. The tornado caught first the Borse Store at Loon Lake Corners and swung round the side of the lake to the northeast, picking up buildings as though they were toys and leaving destruction in its wake. The county damage total is a half million dollars.

Antioch favors the adoption of daylight savings time, according to a petition bearing 203 signatures for the plan as against 102 opposing it. Following a meeting of the village board Monday, when the petition was presented, village clerk Harry Isaacs communicated with authorities at Lake Villa, Ingleside, Grayslake and Fox Lake regarding the change. A definite decision is expected next week.

Disease and pestilence have added to the urgency of the need for flood relief. While this office has received a number of contributions, several who have expressed themselves as desiring to contribute have not yet done so, and it is felt that there are many others who can and will give.

20 YEARS AGO: MAY 9, 1957

Oakwood Knolls is having its sewage problems, and an appeal was made to the village board Tuesday evening for any aid it can get in solving them. George Kellogg, Ray Nelson and Harry Brehen of the Knolls Association said a health hazard exists — sewage is bubbling from the ground at two lots. Kellogg asked for street lights in the subdivision and he was informed that this too will be referred to committee. Mayor Murrill Cunningham delegated Trustees John Blackman and George Garland to procure speed limit signs for the areas as requested by the three delegates.

Two new apartment buildings costing \$100,000 will be erected in Antioch by Ken Kirchmeyer, local contractor, if sewers to his property on North Ave. can be installed at a cost that is not too great. Kirchmeyer appeared before village officials with plans which showed that each unit will have six apartments of five rooms each. The buildings would be erected west of the Antioch Heights subdivision on west North Ave.

David, 2, and Mike, 5 months, sons of Mr. and Mrs. Don Hoem of RFD 2, Lake Villa, would have a difficult time spreading their attentions if all relatives should gather at one time. No fewer than 11 of the 12 grandparents and great-grandparents are living. They include Postmaster and Mrs. Roy Kufiak and Mrs. Robert Runyard of Antioch.

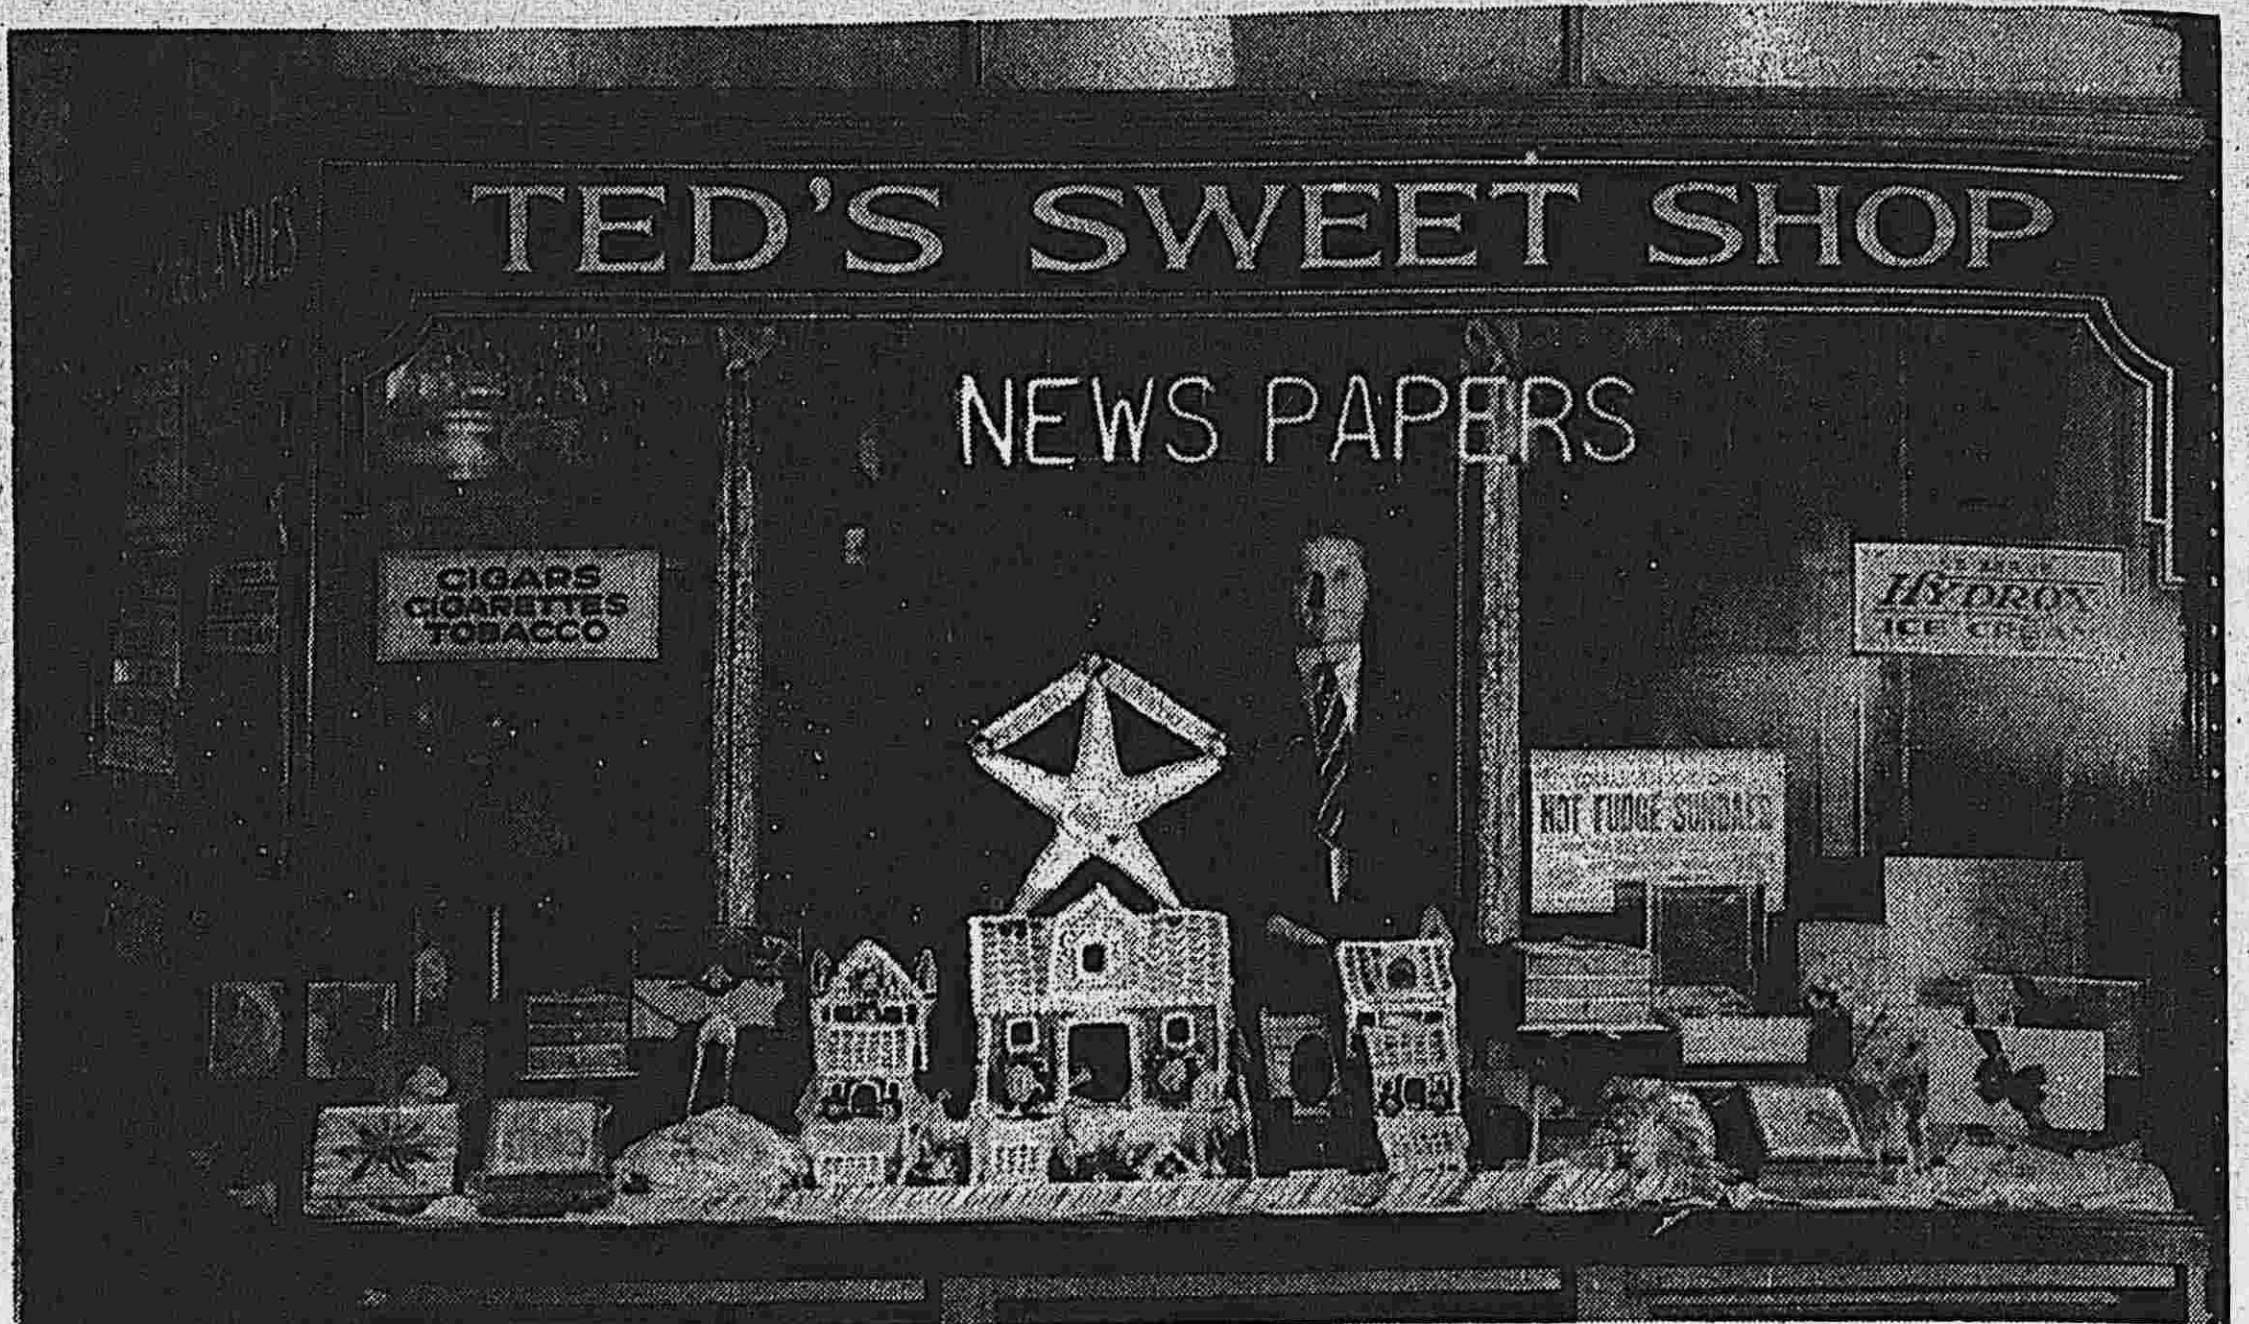

10 YEARS AGO: MAY 11, 1967

Postmaster Joe Wolf and the personnel at the Antioch Post Office received official recognition from the U.S. Post Office regional director last week for their excellent work in organizing and promoting Project Viet Nam. The crew has been sending special packages to Antioch servicemen overseas.

The free-parking lot on the corner of Main and Park, just south of Barnstable's Department Store, is now open. It was leased by the First National Bank of Antioch and the store, with some financial support from other Main St. merchants, then leased to the village for \$1 a year. Added to the parking area behind the stores on the west side of Main St., there is now convenient parking near all Main St. stores.

Dems to honor area officials

Sheriff E.J. "Chick" LaMagdeleine, County Clerk Grace Mary Stern and States Attorney Dennis P. Ryan will be honored Friday, May 20 at a fund-raising dinner sponsored by the Lake County Democratic Central Committee at the Ramada Inn in Highland Park, according to an announcement made today by Herbert L. "Hub" Stern, chairman.

"We are proud of our public officials and believe that their performance in office has won new respect for our Party", Stern said. "So we decided our May fund-raising dinner would be a fitting occasion to honor them."

JAMES LUMBER of Round Lake, a possible Democratic candidate for Congress in the 13th

Congressional District and a newly re-elected member of the College of Lake County Board of Trustees, is acting as general chairman of the dinner.

Ronald A. Orner of Highland Park, the Lake County Democratic party's finance chairman, is assisting Lumber.

STERN SAID, "Jim Lumber tells me that he is putting together a group of sponsors (persons committing for the purchase of a table) and expects to announce the principle speaker and dinner format next week."

Donations will be \$25 per plate or \$200 for a table. Tickets are available through Democratic Headquarters, 244-2870.

◀ The sweetest of the sweet

One of the sweetest memories many Antioch residents have is of a certain shop at 376 Lake St. That was the home of Ted's Sweet Shop, owned by Ted Poulos from 1939 to 1954. His father-in-law owned it before that.

Poulos proudly remembers those years spent in the present home of Tots & Teens Toy Shop. Highlights include the every-Sunday treat of free

ice cream for children, 1945 to 1950.

He had supplied the grade school with candy for four years before that. In 1944, he gave a 40-lb. candy cane (a record-breaker!) and 200 lb. of other candy to area Boy Scouts. A year later, he made the same donation to Great Lakes Naval Hospital.

As the saying goes, how sweet it was.

TRAVELERS' CLINIC - Pressure in airplane cabins does cause discomfort to sinus sufferers, and I do sympathize with you on this.

However, if you will do the following you'll be off and running. Use decongestant nose drops before boarding, supplement the drops with an antihistamine if you wish.

As an alternative, over-the-counter decongestants can be used during flights to relieve pressure and dry up sinus membranes.

If you don't have anything with you and you are bothered during the flight, be sure and ask the flight attendant. They always have items on board for this type of pressure point problem.

MANY PEOPLE CALL US about luggage damaged by an airline. Before leaving the airport, check. If there is damage, report it then.

However, if you find something wrong once you're home, immediately call the Baggage Service Office of the airline at the airport where you arrived.

The airline will arrange to have your bag picked up for repair at its nearest Baggage Repair Facility.

BARB CORBIN

Be sure and keep the flight-baggage claim check. Most repairs take about a week with door-to-door delivery thrown in.

If you need to use the suitcase before, a top priority rush repair will usually get the job done. Time permitting, check luggage prior to departure from the airport.

Antioch joins in fighting cancer

"We urge everyone in Antioch who hasn't given to the Cancer Crusade to join other generous citizens in fighting cancer," Mrs. William E. Brook of Antioch said Tuesday.

Society this year and help wipe out cancer in your lifetime," Mrs. Brook said.

Joining Mrs. Brook as chairman of the American Cancer Society, Lake County Unit's education and fund raising crusade in Antioch is Mr. Preston Reckers. He is independent business and trades, and industry chairman.

Volunteers in Antioch are working toward a goal of \$1,800 while distributing a special leaflet, "What You Can Do About Cancer," which emphasizes each individual's responsibility in avoiding cancer risks and indicates who needs a checkup, what a good checkup includes, and how to obtain information on where one can get a checkup in Illinois.

The American Cancer Society, Lake County Unit's Crusade continues and has a total goal of \$251,823.

Instead, we are experiencing sandblasting, as the stone building on the southwest corner of Lake and Main streets is transformed into a true work of art. Any inconvenience is outweighed by the treat of seeing the original splendor.

RUMOR HAS IT the National Park Service has a new project on its hands - or, rather, sidewalks.

The steering committee is still in deliberation, but it looks like some outstanding personalities will be immortalized for their contributions to Antioch.

An obvious choice was Thaddeus Glocksmer, best remembered for his invention of the three-corner intersection. "Anyone can ease traffic problems," Thaddeus was once heard to remark. "I like a challenge-like turning left."

CERTAINLY NO ONE could take the second celebrity for granite: Bozo the Clown. He was a unani-

mous choice for entertaining not only the kiddies but also the luncheon troops at the World Famous Village Pub.

The third choice was Horatio Main, for whom Main St. is believed to have been named. (Incidentally, many lobbied for his famous brother, Water.)

The quartet in stone will only be complete with Jerry Pfarr. However, artists are reportedly having problems getting the golf hat just right.

IMAGINE THE DETAILS to coordinate for such a monumental task.

Here's a tentative outline of the total project:

1. Construct hysterical markers to direct the myriads of sightseers, making sure the sign ordinance is observed.

2. Install high-powered tourist binoculars atop the PM&L Theatre.

3. Enlist the help of Antioch youngsters for souvenir booths featuring small replicas of the carving.

4. Hire former Demolition Derby officials to direct parking in the lot at the corner of Main and Park Ave.

Progress has been slow, naturally. And it seems some folks would rather see them rush more.

Sixty-two co-workers attended the Friendship chapter night program.

The chapter then proceeded with the fourfold and the friendship ceremony where the new friendship members received their rings for the Academy of Friendship.

Those who received their rings were: Elizabeth Mercatoris (aid, Romona Pyzyna), Louise Stenberg (Dorothy Trolewski), Betty Schulmeister (Barbara O'Higgins), Lillian Olsen (Irene Klemz), Ann Barone (Mary Galster), Dorothy Ottensroer (Dorothy Laursen), Bernice Alhert (Helen Lovell) and Delores Povilitas (Georgia Sutherland).

THE CHAPTER proceeded with the enrollment of four new candidates: Bernadette Foster (sponsor, Anita Wisniewski; pro-tem, Marge Hartman) Roberta Knackstedt (Judy Page, Darlene Gers), Candy Steinbauer (Jeri Johns) and Marie Popke (Helen Lovell; Virginia Winneman).

Balloting on four new applications followed.

Upcoming meetings include: Honorary Dinner, Wednesday, May 18, cocktails at 6:30 p.m., dinner at 7:30 p.m., \$2 donation; formal business meeting (election and enrollment), May 19, voting from 7:30 to 8 p.m.

THE SLATE of officers for 1977-78 is:

Senior regent, Judy Cook; junior regent, Dorothy Ottensroer and Mary Galster; chaplain, Tina Zickus; recorder-collegian, Judy Page; and treasurer, Helen Lovell, Betty Dahlke and Marge Hansen.

Dist. 34 program to serve as model

School district 34 has just received notice of the validation of their environmental education program. The materials and methods of the program will now be given to other school districts to use with their children.

This validation was performed by a team of three educators from Minnesota. Their summary report indicated that the program was one of the best they had seen in five years and that with minor modifications it should be able to be nationally validated as an example of an educationally significant program.

THIS VALIDATION of the program means that Antioch has one of only nine or 10 such projects in the entire state. It also means that the Illinois

Office of Education, Title IV C feels that the program is good enough to pay the costs for other districts throughout the state to learn to use the materials and how to put the program into practice.

The program directed by Michael D. Teeley with Mary Kern, was developed and implemented over the past three years. It was written entirely by teachers of districts 34 and 117 in a cooperative effort. The 28 teachers involved in the preparation used their many years of experience with Antioch children to create a program which deals with the environment of our children. It also helps them to understand the importance of Antioch and the Lake County area in the changing Illinois and United States environment.

Set prayer breakfast in Millburn

Plans are set for the first annual Men's Prayer Breakfast of the Millburn - Lake Villa - Antioch area. Sponsored by the Lake Villa Lion's Cub, Prince of Peace Catholic Church, the Lake County Council on Alcoholism, St. Mark's Lutheran Church and the Millburn Congregational Church, the breakfast is scheduled for May 21, at 7:30 a.m. at the Millburn Church, corner of Grass Lake Rd. and Rt. 45.

Guest speaker will be Don Newcombe, star pitcher for the Brooklyn Dodgers in the early 1950s, and a recovered alcoholic. The Swing Choir from Antioch High School will provide entertainment and lead the singing.

Grade school bands

By BONNIE BORLA

This is a very busy time for Antioch grade school band students and band parents. The band students are busy almost every week until the end of school.

The senior band took a second place at the state band contest. They felt they could have done better so they have entered a special contest at Wilmot High School to compete against many Wisconsin bands. The band parents felt the band would benefit from the contest and agreed to pay the entrance fee.

TWO FREE concerts are coming up. Tomorrow (Thursday) 7:30 p.m. at the Upper Grade School gym the junior and senior bands will give their concert. On Wednesday, May 18 at 7:30 p.m. the bands from the lower grade schools will give their concert.

The Chester Golonka Memorial Scholarship Award will be given this month at Honors Day at the Antioch High School.

The band parents had a bake sale to help raise money for the overnight trip May 21 to Benton Harbor, Mich. The senior band is marching in the Blossom Festival Parade. The senior band banquet will be held while in Benton Harbor.

THE NEW OFFICERS for next year were elected at the May meeting. They are: Elsie Quendenfeld, president; Judy Wells, vice-president; Jean Noethling, recording secretary; Joan Lason, treasurer; and Bonnie Borla, corresponding secretary.

This year's officers did a fine job and we would like to express our thanks to Martha Fallon, Jim Quendenfeld, Mary Wells and Lillian Golonka. We would like to thank all the parents that helped back the students this past year.

THE DEADLINE for joining summer band is Sunday, May 15. So please get your money in on time!

There will be a special meeting at 8 p.m., June 7 at the Upper Grade School. The band students have a lot going on this summer and they need our help, so please come to this meeting.

Lake Villa Chamber

Monday, May 16 will be the second quarterly regular membership meeting of the Lake Villa Chamber of Commerce.

Karl Zimmerman, president, says the meeting will be held at 8 p.m., with cocktails at 7 p.m. at the Zur Tanne Pine Tree Inn, Lindenhurst. Each Chamber member is encouraged to attend and bring a guest. The charge is \$14.50 per couple.

the evening will be the speaker, Stanley Pekol, Lake County Board member. He will speak on "Economics and Development Division Within the Planning Department."

Zimmerman urges all interested parties, Chamber members or not, to make reservations to hear this provocative presentation. Contact Chamber secretary Gloria Hopkins for reservations, 356-3313, before May 12.

Howard Baker to speak to county Republicans

With U.S. Sen. Howard H. Baker Jr. (R-Tenn.) as speaker, the 1977 Spring dinner of the Lake County Republican Federation will draw a "full house," said Federation president Michael Cudahy of Lake Forest.

The fund-raiser, for which tickets are \$100 and \$20 per plate, will be held Friday, May 13, at the Holiday Inn, Mundelein. Dinner at 7:30 p.m. will be preceded by a reception.

SEN. BAKER, Republican leader of the Senate, will be accompanied by his wife Joy, daughter of the late Illinois Senator, Everett M. Dirksen. Flying from Washington with the Bakers will be U.S. Rep. Robert McClory (R-Lake Bluff), who arranged Baker's appearance and will introduce him.

The senator is expected to articulate the Republican position

on major national issues. Elected minority leader of the Senate in January, Baker is a member of the committees on commerce and public works, atomic energy and the select committee on intelligence.

WILLIAM E. BROOK of Antioch, dinner chairman, said tickets are available from dinner ticket co-chairman, Frank J. Nustra of Highwood and Mrs. John Mullen of Barrington, as well as from Federation board members, presidents of Republican clubs and at Republican headquarters, 228-A N. Genesee St., Waukegan.

Marilyn Sterbenz and Nora Miller of Antioch are on the cocktail tickets committee.

A popular feature of previous Federation dinners, dinner dancing, has been re-scheduled. The Cabaret ensemble will play.

SEN. HOWARD BAKER JR.

Program at Emmons

At 7 p.m., Thursday, May 12, Emmons Grade School will present its annual Spring Program. Band selections, oral music and a play will make up the program.

The band, under the direction of Edward Kramer, will play a collection of numbers including "You Are My Sunshine," "Pink Panther," and "London-derry Air."

James Luder will guide kindergarten

through fifth grade through a variety of songs. The choir selections will include "Feelings" and "What's More American."

"The Magic Hat," directed by Diane Baum is a comedy about magic gone wrong. The cast includes Danny Johnson, Chuck Duha, Andrea Becker, Greg Nottingham, David Witek, Joan Karczewski, Joanie Cilik, Lisa

Davis, Mike Hamlin, Stanley, Mary Ann Cil- Cindy Splayt and Terri Kelly Corey, Carolyn ik, Lesley Gallagher, DelPeschio.

ACHS band concert nears

Members of the Antioch High School beginning band, concert band, symphonic band and jazz ensemble will be featured in Spring Concert Saturday, May 14 in the school auditorium.

The concert will begin at 7:30 p.m. with the concert band performing the march "Crystal Star," selections from "Jesus Christ Superstar," Hopak, and "Intrada and Rondo."

The next group to perform will be the jazz ensemble. They will perform music selected as favorites over the past four years: "2001: A Space Odyssey," "Hey Jude," "Jazzman," and their all-time

favorite, Barbra Streisand's "Stoney End."

The beginning band, whose members have been playing for only seven months will perform six traditional numbers.

To close the concert, the symphonic band will also perform numbers selected as favorites over the past four years. They include "Festive Overture," "Chorale," "Killian," "Sonus Ventorum," themes from Ottenbach, "Chorale" and "Shaker Dance."

Tickets can be obtained from band students or can be purchased at the door. Adults \$1.50; students 75 cents.

WHEN THE ANTIOCH Jaycees and the Vikings Boys Junior Football Team celebrated their Las Vegas Nite event Apr. 30, the happy winner was Ron Martini (center), the recipient of a trip for two to Las Vegas, donated by the State Bank of Antioch. Prize was awarded by William Groeninger (left), Jaycees vice president and prize chairman of the event, and Russ Lehn, president of the Vikings team. Chuck Jensen, second prize winner, won a trip to northern Wisconsin, while the third prize of six free dinners went to Woodland Realty Company. Wally Jaszowski, external vice president of Antioch Jaycees and Las Vegas Nite chairman, reports that the second annual co-sponsored event was a great success enjoyed by all who attended.

Witch Hunt on at theatre

Arthur Miller's controversial and celebrated play, "The Crucible," is the next production to be seen at the PM&L Theater in Antioch. It begins Saturday, June 4.

The play is concerned with the mass hysteria which swept Salem, Mass., in the early 1690s. At that time, hundreds of people, chiefly women, were accused of practicing witchcraft, and many of them were put to death for that supposed crime. Because "The Crucible" was originally produced in 1953, at the height of Sen. Joseph R. McCarthy's campaign against alleged Communists in this country, the play was often seen as a commentary on McCarthyism.

Certainly the play captures the electrifying emotionalism of mass hysteria, and is characterized by remarkable insight into that phenomenon and the social movements with which it is often associated.

THE PM&L production is directed by Lou Jones, familiar to Antioch playgoers for his work in a number of shows.

His cast, a mixture of old-timers with newcomers to the PM&L stage, includes Dawn Caddy as Betty Parris; Mark Kettner, Reverend Samuel Parris; Debbie Blanksten, Tituba; Laura Krah, Abigail Williams; Jennifer Biel, Susanna

Wallcott; Deane Jones, Ann Putnam; Frank Greenwood, Thomas Putnam; Debbie Beno, Mercy Lewis.

THE PLAY will open at the PM&L Theater, 877 Main St. Saturday, June 4. Subsequent performances - curtain time for all of them is 8:30 p.m. - are scheduled for Fridays and Saturdays, June 10, 11, 17 and 18.

This controversial production is certain to be another PM&L success: reservations cannot be made too early. The number to call is 395-3055.

Astro- Analysis

By Sonia

ARIES [March 21-April 19] - Seek new ways of improving social life. Circulate, accept invitations that provide a chance to make new acquaintances. Assume a more extroverted role.

TAURUS [April 20-May 20] - Maintain peace with family members by keeping an open mind to suggestions, ideas. Work in closer harmony when making big decisions. Discuss matters carefully.

GEMINI [May 21-June 21] - Detail work should be tended to; don't procrastinate where paperwork that needs your attention is involved. Give some serious thought to present status with relatives.

CANCER [June 22-July 21] - Through your own efforts financial conditions can be greatly improved. Your tenacious tendencies should now be used constructively to pave the way for more security.

LEO [July 22-August 21] - Don't rely on others to get things done; more accomplishments can be made by working independently. Set some definite goals that are realistic.

VIRGO [August 22-September 22] - Avoid circumstances that could lead to misunderstanding; keep activities strictly on the up and up. A week when some time alone can provide new insight, new direction.

LIBRA [September 23-October 22] - Unexpected ups and downs in money matters are still to be anticipated, don't give in to unnecessary extravagances. Old friendships prove to be more reliable.

SCORPIO [October 23-November 21] - Overcome the temptation to show obstinacy with superiors; try to see both sides of the situation. If you must disagree, do so tactfully.

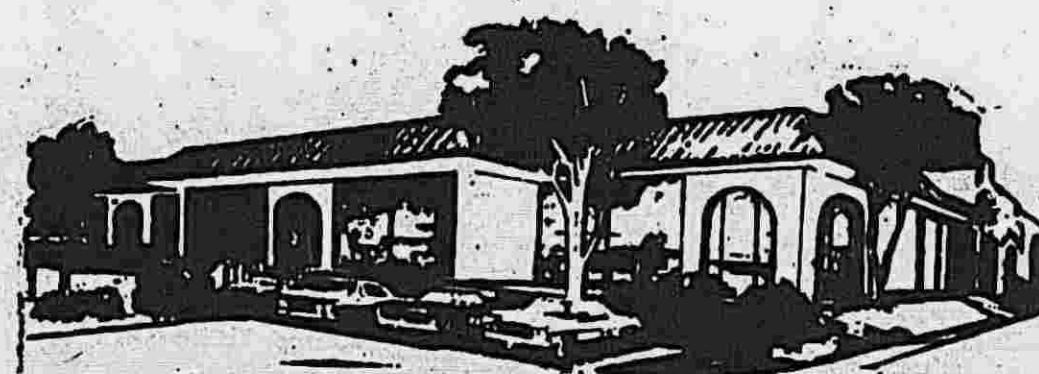

SAGITTARIUS [November 22-December 20] - It's imperative to make those long-range plans now; by looking ahead, direction and aims are more feasible.

CAPRICORN [December 21-January 20] - A straightforward, direct approach in business matter helps. Be frank about your opinions. Business and social activities can be successfully blended this week.

AQUARIUS [January 21-February 19] - Strive for more compatible relationship with partner; try to be in agreement on major issues. Enter into new contracts with caution, talk over plans with family members.

PISCES [February 20-March 20] - Give more thought to working conditions and how improvements can be made. Colleagues have some good advice so listen with enthusiasm.

KAYE O'NEILL has been appointed to the new accounts department of the First National Bank of Antioch. She has been employed by the bank since November 1967 as a teller. She is pictured

HAPPY...HAPPY...BIRTHDAY GUESS WHO????

She was a shy, quiet 19 year old Belgium girl who in 1946 couldn't speak English, who met an American soldier playing music in an army band and he couldn't speak French. As the Good Lord would have it, four months later in a little church in her home town in Belgium we were married.

To live in America with me meant giving up her country and saying good-bye to her parents ... she was the only child. The courage she showed then has only multiplied through the years and besides her birthday this month, we will also celebrate our 31st wedding anniversary.

Now getting back to her birthday ... she will never see "49" again and she has a year to wait for "51."

Five years ago this month we entered the Antioch scene with a small business on the north end of town. Through a combined family effort this business expanded and 3½ years ago this girl took on a monumental task of "supplying homemade salads" to the Antioch area. An average summer weekend means over 250 pounds of homemade salads and this means working in the kitchen every weekend besides trying to help out at the store. It's a dedication not many people would make.

Her many friends and customers know by now it could only be "Lucy Gunty" and it's "Lucy's Salads" that are available at "BERNIE'S DELICATESSEN" at Rt. 83 and North Avenue. I don't know how long she can keep going with this ever increasing workload, but I do know all her friends, customers and her employees proudly join our sons (Bernie and Dale) and our daughter Dolores and myself in wishing her ...

**The Happiest, Healthiest, and Most
Remembered...50th BIRTHDAY...
In Her Life.**

I even gave her the day off from making salads today.

**Happy Birthday Honey...
Hope we're able to Celebrate "50"
More Wonderful Birthdays Together.**

Shopping Cart Loss Over \$2 Million

A profit drain is making its presence felt in the pockets of the nation's discount department stores. The Mass Retailing Institute has just released a survey which lists over \$2.25 million in losses over the past year from the theft of shopping carts, marking the first time that such a problem has been officially tallied.

Stores are losing 12.3 carts per year on the average, each valued at \$32.50 with replacement charges averaging \$37.07 and steadily rising. Some stores have lost as many as 250 carts this year and the survey reveals that stores average 43 carts for every 10,000 square feet of space.

Robert and Eleanor Masheris of Antioch had a wonderful party at Thompson's Restaurant last Wednesday. They were joined by about 35 relatives and friends to celebrate their 40th anniversary, which was Sunday.

TWIN GIRLS were born Apr. 13 to Judy and Phil

Moffat. The six- and seven-pound darlings were named Jennifer Lynn and Jacqueline Ann. Maternal grandparents are Mr. and Mrs. Edward Adams of Northfield; paternal grandmother is Marge Maertz.

Two lovely ladies are celebrating this week: Lucille Pfarr's birthday is today and Lynn Rossen's is tomorrow.

Birthday greetings to Jeff Mihovilovich, who will be 19 on the 17th.

Bernie and Shirley Gutowski: be sure to have a happy anniversary this Saturday!

OUR APOLOGIES for misinforming you about the Grass Lake Pet Show committee. Marlene Olsen donated the trophies -- she was not simply in charge of them.

Why not send a get-well card today to Gerald Ehrhart? His address: University Hospital, Room 216C, Madison, Wis. 53700.

PERSPECTIVES

Inspiration

By **DONALD COLE**
Moody Bible Institute, Chicago

If the Bible is divinely inspired, as Christians believe it to be, its very words were given by God. This truth is usually expressed by the words "verbal inspiration." Some may balk at accepting this truth; in their minds it suggests mechanical diction, as if the apostle or prophet fell into a trance, in which state he became a suitable vehicle for the words of the Holy Spirit.

This is not what is meant by verbal inspiration of the Scriptures. The Bible nowhere says or implies that the Holy Spirit dictated messages through suitably chosen vehicles. Verbal inspiration means simply that God's messages were given in words. Not just in thoughts, but in words suited to carry the thoughts.

HOW COULD it be otherwise? Words are necessary for the conveying of thoughts. The truth is, thoughts are impossible without appropriate words. No words, no thoughts. And, if the Holy Spirit has thoughts to convey, He must of necessity clothe those thoughts in appropriate words. Otherwise, the truth to be communicated could be distorted. If the very words of the Bible are not God's words, then there is no reason to believe that the thoughts are God's, or that

the teaching is God's.

Seen in this light, it is fairly clear that refusal to believe in the verbal inspiration of the Scriptures is tantamount to refusal to believe that God communicates to us in written form, i.e. in the book known as the Bible, you must in logical consistency accept the truth that He Himself chose the very words needed for communicating and conserving His Word.

THIS IS REALLY very beautiful and reassuring, for it tells me that revelation, i.e. a message from God, is not an ecstatic experience. Instead of sending impulses surging through my mind, God speaks to me in words. He uses language to inform me, rebuke me, encourage me, edify me, and have fellowship with me. Because He speaks my language, I hear Him and I understand Him.

Thus, verbal inspiration is not a cold theory; it is the heart of theology. It tells me that God speaks to me, that He chooses His words carefully lest His meaning be lost. It tells me that the book He has given is inerrant. There are no mistakes in it because God Himself chose the words. So I can trust my Bible, and I can entrust my soul to the God who speaks to me with such precision that even a fool cannot mistake his meaning.

EDMUND VOS (right), chairman of the First National Bank of Antioch board of directors, was honored at the annual stockholders meeting last month. Bank president L.M. Woods presented a portrait of Vos, painted by Grace Strahan.

Honor Vos at bank's annual stockholders meeting here

Edmund F. Vos of Antioch was honored Apr. 27 at the Annual Stockholders Meeting of The First National Bank of Antioch.

A portrait of Vos was presented by L.M. Woods, president of the bank, on behalf of the board of directors. Vos has been on the board of directors since January 1948. He was elected chairman of the board in February 1974 and was re-elected to that position at this year's annual meeting.

VOS HAS been a resident of Antioch since 1921, moving here from Burlington, Wis. He served as a village board member for 15 years, is a lifetime member of the Moose Club, is a member of the Knights of Columbus and is associated with the Lake County Public Water District since its formation 26 years ago.

A past director of the Illinois Lumber & Materials Dealers Association in Springfield, he is now president of the Lake Villa Lumber Co. He is a former owner of the Antioch Lumber Co. and a former

director of the Lake Villa Trust and Savings Bank.

He married Louise Roeschlien of Chicago in 1929. They have one daughter, Luisa Andrae of Elm Grove, Wis., and two grandchildren, William and Kurt.

THE OIL PAINTING was done by Grace Strahan of Antioch and will hang in the board room of the bank alongside portraits (also done by Mrs. Strahan) of C.K. Anderson, founder of the bank and president (1926-1948); William Schroeder, past president (1948-56); and Russell Barnstable, past president (1956-1969) and former chairman of the board (1969-1974).

NEWLY-ELECTED directors for the 1977 year include: Russell Barnstable, Edward C. Jacobs, Raymond Jenssen, W.C. Petty, H.A. Pickard Jr., Charles Schroeder, Richard Schroeder, Lorraine Schroeder, John Blackman, William Nauman, L.M. Woods and Edmund F. Vos.

If you include adjacent suburban areas, New York, not Tokyo, is the most populous city in the world, with a population of over 16 million.

DISCUS SPECIALIST Wynn Vos of Antioch High School took a second in Saturday's conference meet with a toss of 92 feet 11½ inches.

Girls track team 3rd in conference meet

In last Saturday's conference meet here, the Antioch High School girls' track team placed third of six squads.

Final scores were: Woodstock 165, Grant 110, Antioch 87, Warren 58, Grayslake 41 and Round Lake 41.

Though the Sequoits took no firsts, they had several second place finishes. They were: Sandie Young, high jump (4 feet 7 inches); Wynn

Vos, discus (92 feet 11½ inches); Corine Harnisch, 80 low hurdles (12.2), Diane Walsh, 880 run (2:34.7) and mile relay team of Margaret Barlow, Walsh, Carrie Corso and Jeanne Tague (4:32.7).

Cindy Irmen placed third in the mile with a time of 6:05.3.

The district meet will be this Saturday; the state finals, May 21.

AUGS track

The boys track team from Antioch Upper Grade school will be defending their conference title in an 8-team meet Saturday.

The meet will be held at Antioch High School beginning at 9 a.m.

The Upper Grade school girls track team will also be in their conference meet on this Saturday, which is to be held at Lake Zurich.

In 1870 the U.S. population was 38,558,371. Today it is over 215 million!

Frosh-soph softball team takes lead in conference

The Antioch frosh-soph girls' softball team has taken an undisputed lead in the Northwest Suburban Conference race. This includes conference victories over Lake Zurich 19-12 and Warren 20-9. The Sequoits ran into a tough Lake Forest squad, losing 4-3.

However, the first loss didn't stop the red machine as they came right back and defeated Round Lake 11-8. Sue Lass went all the way in the effort. It was the clutch two-run triple of Kathy Walsh that popped the Panther's balloon in the bottom of the sixth. Jeanie Cilik added 4 for 4 in the game.

CONFERENCE FOE H.D. Jacobs hosted the Sequoits and the girls poured 19 runs on the Golden Eagles in three innings. But the momentum swung to Jacobs and the pressure was too great. The game opened up and Jacobs took it home 31-25.

The girls traveled to Zion to face the powerful Z-B's. The Sequoits never got started in a 17-5 loss.

After a hard week of practice the

girls took three straight conference games last week defeating Stevenson 16-8, Grayslake 15-5, and Grant 19-4.

"We played ball this week like we are capable of playing; the Grant game was our best effort of the year," said coach Steve Scott. "Everybody contributed to the win today, with exceptional fielding by Shelly Wix and Jenny Behne. And Kathy Ogden has been consistently hitting for us when we need it most."

THE SQUAD, now 10-3, are on their way to a conference title hope, if they win their last three games. It will be a first for the softballers, but Scott feels they must have a good week of practice and must take one game at a time.

Antioch will host Wauconda Monday, May 16, will go to Cary-Grove Wednesday, May 18 and will host Woodstock on Friday, May 20 for the last game of the season.

Games are at 4:30 p.m. at the Upper Grade School.

ACHS girls softball

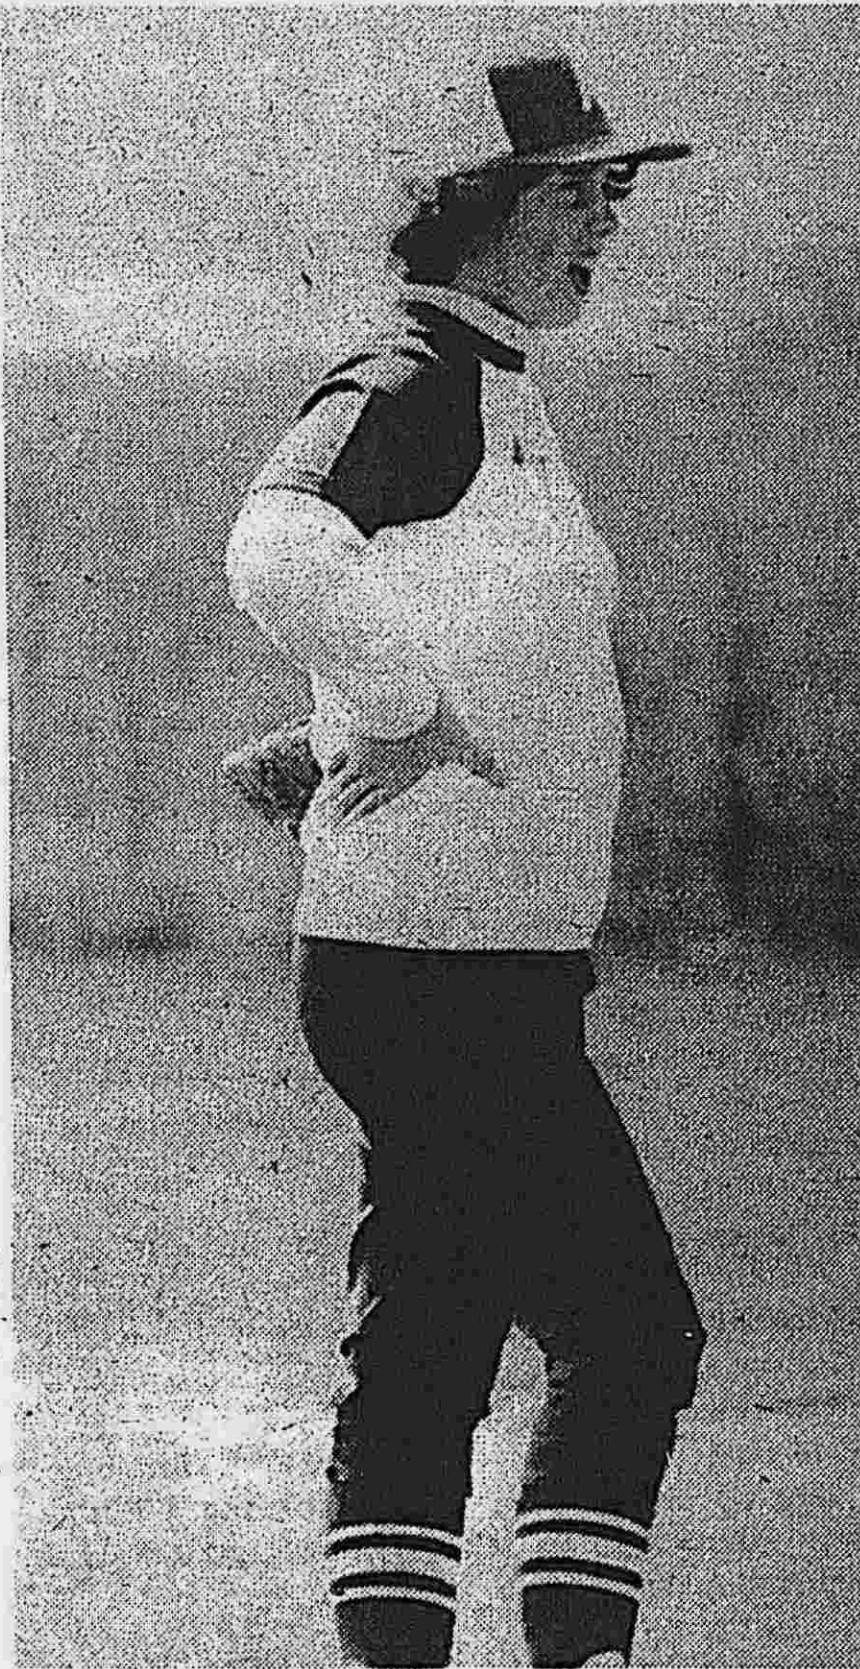

It's district competition week for the Antioch High School girls' varsity softball team.

They had good news and bad news last week, starting with a 12-4 decisive win over Stevenson. However, they lost to Grayslake 19-3 last Wednesday, then suffered a 11-0 loss to Grant on Friday.

Coach Chris Coolidge says the girls played well despite the one-sided score against Grant. Shortstop Kathy Miller led the defensive play.

Top averages on the team (with at least 20 times at bat) are: Bonnie Pottala .478, Heide Kapischke .450 and Lisa Haling .434.

The next home game (Antioch Upper Grade School) is at 4:30 p.m. next Monday against Wauconda.

Frosh diamondmen win 4 of last 5

The Antioch High School freshman baseball team has won 4 of their last 5 games to push their record to 8-8 and 5-5 in N.W.S.C. play.

After starting the season poorly and scoring few runs, the Sequoits have begun hitting the ball with consistency. Coupled with steady pitching, the end result has developed into a winning attitude.

Coach Mark Guthrie said, "Early in the season we weren't winning and everybody appeared down mentally. After losing 4 straight, including a doubleheader to Round Lake and single games to McHenry and Jacobs, a team meeting seemed to boost moral and now the squad appears to be on winning ways."

THIS YEAR'S pitching staff includes Glenn Flanagan with a 4-1 record and an earned run average of 1.28. Glenn leads all pitchers in wins and strikeouts.

Dave Berchtold has done a fine job as a starter and reliever including an E.R.A. of 1.88 and a 2-3 record. Kurt Selak has also seen action in 7 ballgames including 4 starts. Kurt's E.R.A. is 2.41 with a 1-3 record. Other pitchers include Chris Kempski and Mike O'Brien.

LEADING THE WAY offensively are Glenn Flanagan (batting .395, leading the team in total hits with 17, 8 R.B.I.s and 12 stolen bases); Chris Kempski (batting .519, with 6 extra base hits, and a team-leading 10 R.B.I.s); Tom Tudor (batting .316, with 6 R.B.I.s and 14 stolen bases); Dave Berchtold (batting .333 with 7 R.B.I.s and 9 stolen bases); Kurt Selak (batting .304); Dan Larson (batting .289 with fewer strikeouts than any starter); Jim Wilson (batting .273 with 10 stolen bases); Dan Behne (batting .250 with 2 home runs); and Phil Bielawski (batting .225 with a team-leading 14 stolen bases).

Defensively, the catching duties have been shared by Tom Tudor and Jeff Crichton. Infielders include Kurt Selak, Tim Ernstmeyer, Kurt Kapischke, Dan Larson, Dave Unrein, Chris Kempski, Tom Berner, Jay Shanks, Dave Berchtold, Glenn Flanagan and Mike O'Brien.

The outfield consists of Dan Behne, Phil Bielawski, Bill Buckmaster, Paul Butler, John Donelson, Jim Sertic and Jim Wilson.

THE SEQUOITS will play their last home games this Saturday hosting Grant for a double-header. Game time is 10:30 a.m. and it will be played on the high school freshman diamond. The public is invited; admission is free.

The Sequoits finish the 1977 season next week traveling to Cary Grove Tuesday, Harlem Friday and Woodstock next Saturday.

Sophomore baseball team has 15 wins

The Antioch High School sophomore baseball team is on the way to compiling an excellent season.

The record to date is 15 wins, 1 loss and 1 tie (darkness). The team is undefeated in conference play with six games left in the season.

The team's overall speed and strong hitting has been responsible for the good year. Fielding and hitting need some more work.

Leading the offense is Greg Bodin, Don Crichton, Steve Gebauer, Chuck Gleason, Dave Gutowski, Carl Schrieber, Mike Wenka and Tom Ernstmeyer.

Scott Gallagher had the highest batting average of .571 and, due to his excellent fielding, has been moved up to the varsity.

Don Crichton is now leading the sophomore team with a .451 batting average, but is being challenged by Gleason (.420), Gutowski (.405), Schrieber (.357) and Wenka (.385).

Chuck Gleason is leading the pitching staff with 4 wins and 1 save. Tom Ernstmeyer has 3 wins, and 1 save and Gutowski 3 wins and 3 saves. Scott Leland with 3 wins, and Scott Schroeder with 1 win and 3 saves make up the rest of the pitching staff. Darren Houghton is doing most of the catching.

Soph tennis team enjoys 14-0 record

The Antioch High School sophomore tennis team is 14-0 in dual meets.

The Sequoits have won 9 out of 11 by shutouts.

A few sophomores have recently pressed varsity regulars for their positions.

"Roger Korjenek has been improving all year and is ready for varsity competition," said Coach Ron Halpern.

The sophomores need victories over Woodstock and Cary Grove for the conference championship.

CLC sports

The College of Lake County baseball team wound up their conference schedule last Wednesday with a victory over McHenry County College. The Lancers hauled in 11 runs against three scored by the opposing McHenry team. The game went nine innings and the Lancers took advantage of every opportunity that arose.

The win was number 14 in conference play against one defeat. CLC coach Gene Hanson commented, "It was an important game for us even though their season was over. We have so many good pitchers that we need all the games we can get to give each pitcher a chance to get some action."

The Lancers resume action Friday against Elgin in a sectional playoff game.

THE COLLEGE of Lake County tennis team was unsuccessful in its bid for a berth in the Region IV tournament, which was to be held in Springfield May 6-7.

Varsity tennis team eyes title

The Antioch High School varsity tennis team moved its record to 10-1 with conference victories over Warren, 5-0, and Wauconda, 4-1.

Antioch now has a 6-1 record in the conference ... second to Stevenson which is 6-0.

Friday and Saturday the two teams will decide the conference title at Dundee.

Against Warren Dennis Korjenek came from behind to beat Bob Bode at first singles 4-6, 7-6, 6-2. Dennis also came from behind to upset Chuck Steiner from Wauconda 2-6, 6-2, 6-0. His record for the year stands at 8-4.

Bob Nasenbeny, playing at second singles, moved his season's record to 10-2 with wins over Mark Arthur of Warren 2-6, 6-3, 6-2 and Dean Anderson of Wauconda 6-2, 6-0.

"Bob has improved his game with a lot of hard work over the last year. He is a leader at practice and a good model for the underclassmen to follow," comments Coach Ron Halpern.

Keith Rezin defeated Kevin Anderson of Warren 6-4, 6-2 and Jim Lambers of Wauconda 6-0, 6-3 to bring his season's record to 11-1. Rezin and Nasenbeny are assured of seeds in the conference meet since their league records are 7-0 and 6-1 respectively.

Jim Bucar filled in for Matt Warner and played very well as he and Mark Mandrowski downed Mike Johnson and Andy Hoerer of Wauconda 6-4, 6-2.

Girls gymnastic show this Sunday

The girls' gymnastic team of Antioch Community High School is presenting its third show, entitled "We've Come a Long Way, Baby," at 7:30 p.m., Sunday, May 15, in the north gym of the school.

Special guest gymnasts will be featured along with clowns and dancers who will present comedy acts with surprises galore. Faculty women will do a pom pon routine, and faculty men will perform.

Three-year-old girls will add to the presentation, along with junior gymnasts from the Mitchell School of Dance.

Tickets may be purchased at the door for \$1 for adults and 50 cents for students. Members of the girls' gymnastic team and members of the Spanish Club will make reservations for tickets.

Antioch wrestlers win in tournament

The Illinois Wrestling Federation freestyle tournament at Round Lake High School last Saturday had two champions and two runnersup from Antioch.

Jon Gibson (98) and Jeff Gross (123) won championships, while Marvin Gibson (132) and John Kakacek (143) claimed second place medals.

Federation freestyle tournaments are run in the spring and summer in the international style of wrestling with no team affiliation.

Wrestlers enter on their own, using the tournaments to increase their skills and for the fun of competition.

The next tournament will be at Niles East High School on Saturday, May 28, and will have freshman-sophomore and junior-senior divisions.

GRACEFUL SANDY JONES practices on the balance beam for this Sunday's girls' gymnastics exhibition in the Antioch High School gym.

Judges, murder and grocers

By RONALD REAGAN

In California, the defendant stood before the judge for sentencing, convicted of four cold-blooded murders. The sentence he got leaves him eligible for parole in five years, 10 months.

In New York, a gun club federation announced it would present \$200 awards and scrolls to three merchants who shot and killed holdup men. The rebukes the club got from the mayor and the police commissioner should curl their hair.

The California judge who wrote to me of this frustration in sentencing a man who had killed four other humans in execution style said, "Many citizens already have armed themselves — feeling that the courts are not protecting them from the use of guns by criminals. Until society realizes the limitations on judges in this regard, and changes the law, only then can the proliferation of guns by both criminals and citizens be halted."

The president of the New York gun club group charged that politicians were leaning over backward to "ensure the rights of muggers and criminals." About the citations he proposed to give to the three merchants, he said, "It's been

called a bounty. I call it a courageous citizens' award."

OCCUPATIONAL HAZARDS

Although the award plan was branded as something akin to "vigilante tactics" by the mayor's office, the actions of the three merchants bore little resemblance to that kind of frontier "justice." Instead, the merchants had simply proved to heaven-knows-how-many potential armed robbers that armed robbery has its occupational hazards. It can be dangerous to the robbers' health.

In any event, it is hard to imagine bands of New York corner grocers roaming the streets looking for shifty-eyed suspects in the way that San Francisco's Committee of Vigilance went after the thugs called the Sydney Ducks in Gold Rush days.

The California judge's words have a message for New York, where it is next to impossible to get a pistol permit. The result: thousands of firearms are kept illegally, many by merchants in high crime areas who are concerned only with self-defense.

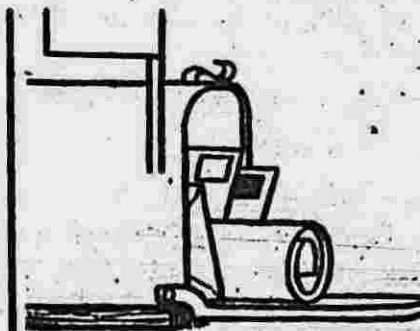

When the judge sentenced the California murderer, he said, "The present state of the law is

**Ronald
Reagan**

deplorable, not only because it so restricts the sentencing of Mr. —, but because it fails to deter any criminal from the use of a gun to kill eye witnesses or arresting officers. The advantage of getting away with the crime — when compared to the small degree of additional punishment — may make it seem well worth the risk."

The murderer shot a woman before the eyes of her 15-year-old son. He then shot the son because he didn't want any witness talking. His third victim was his cocaine dealer; the fourth he had been hired to kill.

News from U. of I.

FRESHMAN students at the University of Illinois at Urbana-Champaign had higher grades in high school than their counterparts at other universities.

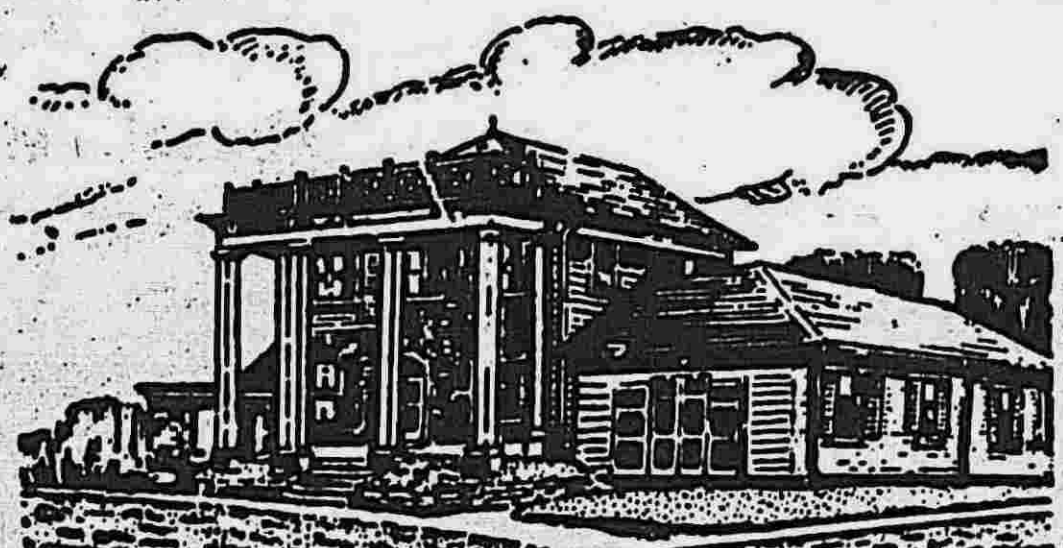

A nationwide survey of 1976 entering freshman college students completed by the American Council on Education showed that 78 percent of the UIUC freshman class had grades of B-plus or above in high school, while the national norm was 60 percent.

IN MONEY budgeted for engineering research in the 1975-76 fiscal year, the University of Illinois at Urbana-Champaign ranks second in the U.S.

A survey by the American Society for Engineering Education shows that UIUC reported \$19,139,000 in separately budgeted research expenditures and \$7,164,000 in engineering-related research. The Massachusetts Institute of Technology was the only university reporting a higher figure.

Antioch trackmen impress fans, foes

Harland goes under 1:58 in half-mile

Antioch High's outstanding track and field performers were among the stars last Saturday in the Lake County championships at Zion.

Zion-Benton won the meet with 84½ points, but Antioch scored 48 points to place fifth in the strong 19-team field.

Bill Harland of Antioch set a meet record in the 880-yard run by blazing around the track in 1:57.6. Harland, who also anchored a winning two-mile

relay effort by Chuck Paulson, Dan Otten and Mark Biel, resumed his Northwest Suburban Conference rivalry with Warren's Bill Moyers in the half-mile event.

Harland stayed off Moyer's shoulder for much of the race, not making his move until the final curve for the strategic win. The old record of 1:57.7 was held by two runners, Lake Forest's Dave Hiscox, 1967, and Antioch's Gary Madehr, 1972.

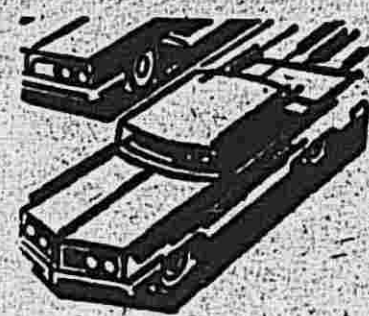

ALSO STARRING for Antioch were Steve Pilcher, second in the long jump; Chris Ano, second in the high jump, and Keith Kaht, second in the pole vault.

In other meets last week, Antioch scored wins over five conference rivals: Grant, Jacobs, Cary-Grove, Warren and Stevenson.

Harland ran the half-mile in 1:57.1 against Jacobs and Cary-Grove. Otten came through with a 4:37 mile.

Pilcher was a winner in the hurdle events and Brian Schroeder scored wins in the 100 and 220-yard dashes.

Mike Harr reached 142 feet in the discus throw. Ano, who has cleared 6 foot 4¼ inches in the high jump, sprang over 6-3 against Warren and Stevenson.

Jones wins at Waukegan

Tom Jones became the first driver this season to score two feature wins in a row at the Waukegan Speedway in the late model division.

He won his second 30-lapper Saturday. It was Jones' 49th feature win at the Waukegan track and the 102nd of his career.

Sunday's racing was postponed because of cold weather.

Tennis tournament for area students

By SUE KOPPA

Bill Georgeson, owner of the World Famous Village Pub, sponsored a wild game dinner and donated the proceeds to the Antioch Hockey Club, a newly organized park program. He deserves a warm and kind thanks.

RON HALPERN, Antioch High School tennis coach and village recreation instructor, has announced a tennis tournament for sixth, seventh and eighth graders. It begins at 3 p.m., Friday, June 3 at the high school; games will also be at

Jensen Park.

Entries may be made as singles players or doubles teams: blanks are available at Antioch schools. One can of Wilson tennis balls is the entry fee and must accompany each entry. Questions should be directed to Halpern at the high school, 395-1421.

SUMMER RECREATION programs will be mailed this week to all village and rural route box holders. They are also available the village hall, 874 Main St. Registration begins Monday, May 16. For information, call 395-2160.

Homan 2nd in Wilmot standings

Tom Homan of Antioch ranks second in "late model sportsman", stock car standing at Wilmot Speedway.

Homan's 169 points are topped only by Jim Zwirgdas of Paddock Lake, who has 178.

Such Speedway stars of recent years as Duke Norton of Wonder Lake trail Homan in the point standings.

Antioch soccer team scores upset

By CORNELIUS LULOFS

After playing indoor soccer all winter long in the Antioch High School gymnasium, the Antioch soccer team finally went outside last Saturday to capture its first victory.

The opposing team was from Waukegan Marathon Soccer Club, whose senior team is regarded as one of the best in Lake County.

Antioch was considered the underdog since only one Antioch player has had any previous experience in soccer. With hustle and determina-

tion, Antioch defeated Waukegan 2-1.

We now have a permanent soccer field at the Upper Grade School, and there is still room on our team for boys ages 15-19 if anyone is interested. Please call me at 395-1933.

Zwirgdas set the fastest time trial last Saturday for late model sportsman cars with 20.60 in his 1969 Camaro. John Dost of Antioch was third in qualifying.

Hank Hovorka, Silver Lake, making his initial 1977 appearance in a Chevelle, won the first heat. Doug Swartz, Caledonia, and Homan were winners in the other heat races.

Clinic for children

A combined immunization, hearing and vision clinic for children will be held Wednesday, May 25, at St. Peter's school in Antioch.

The clinic is conducted by the Lake County Health Department and will be open from 9 a.m. to 12 noon.

It is an opportunity to have a child immunized against polio, diphtheria, whooping cough, tetanus, measles, mumps, German measles and to insure that their hearing and vision is normal.

All pre-school and school age children are welcome. There is no charge.

Appointments are not necessary. Parents should bring any past immunization records

to help determine the child's immunization needs.

For further information, contact the health department.
